- IODE Funding Decreasing and Changing Regulations
- Sustainability and discoverability of AC/OD platforms and content

Questions?

IAMSLIC/EURASLIC Partnerships Activity

- What needs to change so our organization is relevant to you and your organizations?
- What new activities, projects, arrangements, outreach methods, projects, etc. might be relevant to both EURASLIC and IAMSLIC?
- What do you need to get the most out of your membership? Why are you/are not involved with committee work? Sponsorship, funding and partnership opportunities?
